

Parents! Grandparents! Caregivers!
Avoid disappointment!

Please book your appointment to have your car seat
installed or inspected at least 6 weeks before the date
of your blessed event!

Our clinics are by appointment only and we are now booking
4 to 6 weeks in advance.

St. John Ambulance, Burlington Branch wants to help,
but our wonderful volunteer car seat technicians can only
install 20 seats a week.

We book on a first come, first serve basis, so book early!
Call us at 905-634-6665 to book a future date and time!

Be prepared! Be safe! Avoid frustration!
Have your car seat installed early!
